

## BRAINSTORMS

With Ferrin Cox

We missed a picture last Wednesday morning. We have missed pictures before and will surely do it again. The problem Wednesday was... we knew nothing about the ribbon cutting at United Super until someone called and asked if we were coming! We suspect some of the local merchants who were not aware of the planned city-wide open house last Sunday until the last minute know how we felt. In a normal week this country boy leaves town before 5 a.m. on Wednesday, so that eliminates me from any early morning picture. Editor Marvin had worked until 1 a.m. and having nothing on his calendar, was not in a hurry to get back to the office. Since the ladies who were at work don't normally take pictures, they didn't know in which of our moving boxes the camera and film were packed, thus no picture. Please let us know in advance about pictures and then we will accept all the fussing and wisecracks you can dish out.

Anyway, we congratulate the folks at United Super on getting their grocery store reopened. We know first hand the problems they had and are still contending with to get this far. We also appreciate their graciousness and understanding when we tried to apologize for missing their ribbon cutting.

We ain't the least bit upset over the confirmed rumors that the entertainment group Milli Vanilli never actually sang on their album which won them a Grammy for Best New Artist. The album sold seven million copies before the revelation of the dubbing of someone else's voices. The thing is... we never heard of them until they got caught!

The U. S. Supreme Court has ruled that CNN must wait until a federal judge reviews some tapes they have dealing with Manuel Noriega's telephone conversations with his lawyers. They are crying foul and abuse of their first amendment rights but we don't agree. We would like to defend the first amendment right to free speech right along with everyone else, but strongly feel that an individual's rights can at times be stronger. While we have no love for the former leader from Panama, he is still a human and has a right to be treated as such.

In Alabama we continue to fuss about "have a lottery" or "not have a lottery." Politics get into the debate and the water gets very muddy. In Florida, where they have a very successful lottery, politics are also getting into the thick of things. The newly elected governor is making overtones of firing the woman who was hired to get the lottery started and is credited in a large part with its success. Suffice it to say the governor-elect - now he don't like the lottery at all and the legislature ain't done as was promised to the voters about the profits and it makes good political hay. What was sold as **extra money** for education is fast turning into funds for basic education needs.

## SouthTrust's 10.9%\* new car loans start with great service.

### And our \$10.00 guarantee.

Get an answer by the next business day, or get \$10.00. You might be cruising on easy street before you know it. When you apply for a SouthTrust new car loan, you're guaranteed an answer by the end of the next business day—or you get \$10.00. Then once approved, you can choose the convenience of having your loan payments automatically deducted from your SouthTrust checking account.

Our car loans and our

checking accounts come fully equipped with SouthTrust's guaranteed service. If you happen to get less than our best, we'll pay you. Ask at any SouthTrust branch for details on our other guarantees.

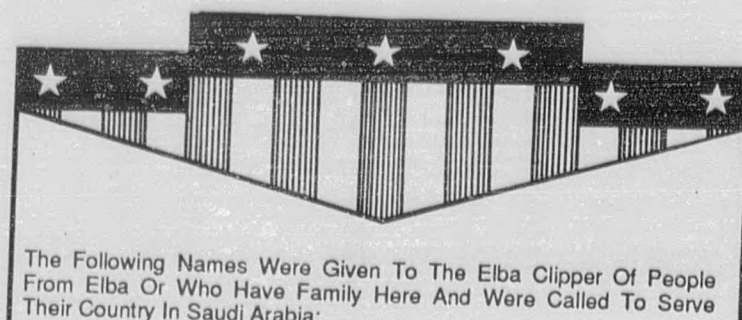

If you're looking at a new car, take a look at SouthTrust's car loans. At 10.9%, and with guaranteed service, SouthTrust can take you where you want to go. In style.

## Self Respect To Be Taught In Elba Schools

Sixth, seventh and eighth graders throughout the Elba City school system will participate next month in an educational program that encourages them to show respect for themselves and their future.

"Respect Yourself," one of the Alabama Department of Public Health's major efforts toward reducing the state's high rates of teen sexual activity and teen pregnancy, uses videotapes, classroom activities and homework assignments to promote the message of sexual abstinence.

To participate in the program, a student must have written permission from a parent or legal guardian.

Guidance Counselor Harriette Boyd said no student will be involved without the expressed written permission of their parents. She added they are planning a meeting on Monday, November 26 in the high school cafeteria at which time the program will be explained in full to interested parents. The meeting begins at 7:00 p.m.

The program emphasizes that sexual activity at an early age can have consequences that can change a teenager's lifelong plans for the worse. Mrs. Boyd said, "A theme stressed throughout the program is that the best time to be sexually active is in a marriage commitment, that is a message which does not come across to youngsters in today's movies, television programs, songs and advertisements."

The five short videotapes featured in "Respect Yourself" show teenagers who, when faced with making decisions about sex and other situations common to adolescents, use sound decision-making skills to make the right choices.

In addition to the videos and lesson plans to be covered in the classroom, "Respect Yourself" also includes a program for parents of the participating students. The parent lesson, to be presented at a later date, consists of a videotape and several handouts designed to help parents deal with problems of adolescence.

Almost half of 4,000 Alabama teens included in a recent survey said they have had at least one sexual experience. Eighteen percent of those said they became sexually active by age 10; 30 percent said they have sex at least two times a month.

The high level of sexual activity among Alabama's teens is clearly reflected in the number of teen pregnancies in the state. Of the 62,530 births in Alabama in 1989, 11,122 were to teens.

Compared to older women, teens are more likely to have serious physical complications in pregnancy, and they are more likely to have babies which are born too small, too soon and in poor health.

Teen health is also extremely costly to society, the majority of pregnant teens drop out of school, and lacking job skills, many become dependent on their family or on welfare.

For more information about the "Respect Yourself" program, call Harriette Boyd, 897-2814 days or 894-6467 after school or Lucia Grantham, 897-5681.

589 babies from Coffee County were born in 1988. Eight of these babies

died before their first birthday. The single factor most associated with infant death is low birthweight. Low birthweight babies that survive are twice as likely to suffer on or more handicaps. 53 low birthweight babies were born in Coffee County.

The problem begins with "mothers-at-risk." "Mothers-at-risk" are often undereducated, poor, and lack prenatal care. 55 women who gave birth in Coffee County either received no prenatal care or had five or less prenatal visits in 1988.

a special group of "mothers-at-risk" in Alabama are our children 10 to 19 years old. Of all live births in Coffee County 28.79% were born to teenagers. Alabama has one of the highest percentages of teen births in the nation, 17.7% of all live births in the state. In 1989 Alabama teenagers accounted for 18.2% of all births. Coffee County is above the state average.

In many cases, these mothers face health, economic, and social risks due to an unplanned pregnancy, not to mention the responsibilities which may follow the birth of an unhealthy newborn.

## "Respect Yourself" Program Targets Youngsters

by Jamie Creamer

Alabama Health Feb., 1990

A program that urges teens to "respect themselves" by deciding now to refrain from sex is making its way into many Alabama middle schools this year.

The "Respect Yourself" program is a federally funded program and features five short videos that show teenagers facing situations common to adolescents. The teens in the videos are positive role models, as they make and stick by decisions about sexual abstinence and other issues; as they effectively communicate with family and friends; and as they show respect for themselves and others.

The videotapes have captured the attention of the sixth- and seventh-graders who have participated in "Respect Yourself" and have opened the door to extensive classroom discussions, said Chris Haag, Bureau of Family Health Services health educator who is promoting and implementing the program in the southern half of the state.

In Clark County, for instance, where "Respect Yourself" made its county-wide debut in late November, (1989) a great deal of class discussion centered on a scene from one videotape in which a young teenage male says that, if he were to get a girl pregnant, that would be the girl's problem. An older teen helps him see that a pregnancy is as much the male's responsibility as it is the female's.

"A lot of the girls got furious when the boy in the film said it wasn't his problem," Haag said. "But a lot of the guys apparently really had never thought about the fact that pregnancy is the responsibility of both parties. They got them thinking."

The videotapes are just one component of Respect Yourself, said Deb Watkins, the FHS health educator who is Haag's counterpart in north Alabama.

"The videos themselves are not slick, top-quality productions, because our funds have been limited," Mrs. Watkins said, "but we feel they are effective in getting across the right messages."

"The five lessons also call for class discussion, a variety of activities and homework," she said. "When teachers plug each video into the context of the rest of that day's lesson, the program can help address the problem of teen sexual activity."

The program also includes a lesson to help parents in dealing with adolescents' questions and problems.

The abstinence-based program has received a positive response in Alabama's rural, conservative counties, Haag said. He also commended the teachers who have served as facilitators thus far, saying they have done "a topnotch job."

ELBA ELEMENTARY PROJECTS. Mrs. Mary Lois Wilson's fifth grade history class made projects on the early Southern Colonies. Models included plantations with farm animals, log cabins, forts, important land formations, and detailed drawings of ships. Pictured above are students and their projects.

## Little Miss Christmas Pageant To Be Held In Elba

In conjunction with the Elba Christmas Festival, the Elba Chamber of Commerce is sponsoring the 1990 Little Miss Christmas Pageant on Saturday, December 8 at 3:00 p.m. on the Court House Square. The pageant is open to girls K through 3rd grades. Applications will be distributed on November 16 by homeroom teachers. In order to make preparations for the pageant, the entry form and a \$20.00 entry fee must be returned NO LATER than November 30. For more information contact Lisa Johnson at 897-5549 or Gene Kennett at 897-3125.

## FBLA Working On November Project

By Jennifer Flowers  
The Zion Chapel Chapter of Future Business Leaders of America (FBLA) is presently working on their November project. The club has to present a patriotic assembly to the Zion Chapel student body. FBLA members that are a part of the Rebel Band program will perform several selections of patriotic music. A practice was recently held to help familiarize the students with their music.

Arrangements to be played at the assembly consist of the "Star Spangled Banner", "Constitution State", "America the Beautiful", and "Duty, Honor, Country". "Duty, Honor, Country" will be narrated by Jennifer Flowers. Mrs. Amanda Ford, Zion Chapel Band Director, will conduct the ensemble.

Donna Holcomb  
Project Committee Chairperson

## Morp Dance?

By Angela Culver  
Zion Chapel Student Government Association (SGA) held a morp dance at the Zion Chapel vs. New Brockton game. It was held in the gym. The dance was an SGA fund raiser.

The dance was a very big success. Many people attended. There was a wide variety of music played.

## Seniors '90 Day At TSU In Troy

By Camille Haynes  
Camille Haynes, Jennifer Flowers, and Aimee Routzong recently attended the second edition of Senior Day '90 on the campus of Troy State University.

The ladies arrived on the campus at 3:15 to hear a half-time show run through from the Troy State University Band. After hearing the run through the seniors went to John Malloy Long Hall to discuss scholarship information and to meet the TSU music faculty and officers. The seniors were then turned on their own for dinner. The seniors met back at Memorial Stadium at 6:00 to watch the TSU and Nicholas State game. After the game the TSU band gave a post-game concert. The ladies all enjoyed the entire day of activities.

## Jr. Class Receives Rings

By Donna Holcomb  
Members of the Junior Class recently got their class rings back from Balfour. A variety of class rings were ordered and ranged from the girl's new "Fashion" ring to the boy's "Legend" ring.

Some students went ahead and purchased their ring while others paid to deposit their rings on layaway.

Tradition says that the Juniors of the

1990-91 school year should have their class rings turned ninety-one times to ward their "risky" finger and on the ninety-second time have it turned toward their index finger to "lock" it on. Another tradition is to put your class ring with the name of the school facing the person and after graduation turn the school name so it will be facing out.

## Late Start For Basketball

By Jason McLeod  
The Zion Chapel Rebels are headed to the first round of the state playoffs. This year is the first since 1985 the Rebels have made it to the first round. The Rebels have worked hard and put a lot of sweat into making it this far. Another goal the Rebels have achieved is having a winning season.

Because of the playoffs, basketball season has been moved up. The first game has been moved to a later date. The first game with Pleasant Home was scheduled for November 20 but will be played later in the year. As soon as the games are re-scheduled the **REBEL NEWS** will announce the new dates.

## Sr. Class

By Wendy Chancellor  
The senior class recently found newspaper articles concerning the federal deficit.

The class was required to have at least ten articles to read a perfect score. Recently the government has had some controversy over the federal budget. The word budget is defined as the preparation of a plan of expected future income and expenses. The purpose of the project was to make the students become more informed about politics.

At the November meeting the featured speaker was Bobby Templin, a student from Troy State University (TSU). Mr. Templin is president of the Christian Student Center (CSC) and is enrolled as a junior majoring in sports medicine with a minor in education. Mr. Templin is also a sports trainer for the football and basketball teams at TSU.

After Mr. Templin spoke and refreshments were served, the group elected officers. Aimee Routzong was elected president, Jennifer Flowers, vice-president and Briley Black, secretary.

## Youth For Christ Meet

Pictured (L-R) are: Aimee Routzong, president; Jennifer Flowers, vice-president; Briley Black, secretary.

By Aimee Routzong  
Zion Chapel's "Youth For Christ" held their November meeting in the home of new sponsor Jackie Jinnig.

Mrs. Jinnig is one of the science teachers at Zion Chapel. This is her first year at ZC after transferring from New Brockton High School. Mrs. Jinnig took over the responsibilities of "Youth For Christ" sponsor when Mr. Tom Moxley, former sponsor, transferred to the Coffee County Area Vocational School.

At the November meeting the featured speaker was Bobby Templin, a student from Troy State University (TSU). Mr. Templin is president of the Christian Student Center (CSC) and is enrolled as a junior majoring in sports medicine with a minor in education. Mr. Templin is also a sports trainer for the football and basketball teams at TSU.

After Mr. Templin spoke and refreshments were served, the group elected officers. Aimee Routzong was elected president, Jennifer Flowers, vice-president and Briley Black, secretary.

## Student Spotlight

By Jim Goodson & Rusty Bedsole  
Derek Stevens: Derek is an 18 year old member of the Senior Class of 1991. He has been in the marching band for 7 years, and is currently the trumpet section leader. Derek's hobbies include watching and playing sports, being with friends, and working outdoors. Derek says the best thing about marching in the band is getting in all the games free. Derek plans to attend ESJC for 2 years and then transfer to Auburn and major in chemical engineering. Derek is a leader both of the band and senior class, so keep your eyes on him at halftime and listen as he "wows" the crowd!

Curtis Smith: Curtis is a senior defensive end for the Tigers. He wears #84 and has been playing for 5 years. Curtis's other hobbies include fishing, baking pies, basketball, and tag football. Curtis' heroes are Super "N" and Alabama's Marcus Webb. Curtis is an important part of the Elba Tigers will be made it to the championship title in 1989. With this trade record all odds are in their favor.

Emily Crowe: Emily is a 12 year old Junior Varsity Cheerleader at Elba High. Emily's hobbies include cheering for 1 year but in on her way to a long career of cheering. Emily's hobbies include talking on the phone and being with friends. What Emily likes most about cheering is going to the games and cheering the players to victory. Emily says her hero is her mom because of the support she gives. Emily is a great JV Cheerleader and one day will be cheering the Tigers on the Varsity Squad.

Bernie Daniels: Bernie is an 18 year old member of the Senior Class of 1991. Bernie has been playing high school basketball for 5 years. Bernie says the best thing about playing basketball is scoring points. Besides playing basketball, he also loves to dance. Bernie plans to attend college after graduation. Bernie is a great part of the Elba Tiger basketball program, so keep your eyes on him and watch as he racks up the points!

Frank Phillips an Brian Weeks are the coaches of this year's winning team. So far the team has played Luverne and Enterprise and have beaten both. Good luck and keep up with the winning record J.V. Tigers!

By Amy Osburn  
Beginning with the high school graduation class of 1995, the University of Alabama will strengthen the high school preparation course work required for admission.

Beginning in 1995, freshmen students will be required to present, as a minimum requirement for admission, either an advanced academic diploma or evidence of successful completion of the following academic course work:

Mathematics ..... 4units  
Science ..... 3units  
Social Studies ..... 4units  
Foreign Language ..... 4units  
Total ..... 15units

Student are encouraged to complete at least 2 years of a Foreign Language; 1 year of computer literacy; 1 year of fine arts; and complete at least 4 years of mathematics and science. This requirement will also apply to transfer students with fewer than 24 semester or 36 quarter hours of college level credits. These minimum high school course requirements are in addition to the current requirement of a C average in the academic high school course and acceptable score on either the ACT or SAT.

By Curtis Smith  
\*Varsity Basketball season started Tuesday, Nov. 20.  
\*Senior class had a group picture taken with the seniors wearing their senior shirts. This was for the yearbook.  
\*Elba Varsity Basketball team will play their home games at ESJC this year. Come and support the team.  
\*Elba Junior Varsity Basketball team will play their home games at West Side Baptist Church. Support the J.V.  
\*9th and 11th grade advanced English classes went to Montgomery to see the "Fall of the House of Vohler" by Edgar Allan Poe. The teachers making the trip possible were Mrs. Sylvia Padgett and Mrs. Judy Killingsworth.  
\*We would like to congratulate Susan Johnson for being selected as Coffee County DAR Good Citizen for 1990.  
\*The teachers were honored twice during National Education Week. Refreshments were served during recess. Once by Mrs. Judy Killingsworth, as a

thank you to other teachers who have taught her son Todd and once by the Student Council as a thank you to all teachers.

\*Tau Beta Sigma of T.S.U. sponsored a Band Fair, Saturday, November 17, at T.S.U. The purpose of this event was to raise money for our band. The fair was organized by a former Marching Tiger, Paige Morrow.  
\*We wish everyone a Happy Thanksgiving!

## The Mighty Tigers

By Kristi Oggs  
It is time once again for the state football playoffs, and once again the Elba Tigers are strong contenders for the State Championships title. The Tigers got off to a slow start this year, but they refuse to give up and have made a successful season out of it. Going into the playoffs with an 8-2 record is not to be taken lightly. Just a mention of the Elba Tigers will make most 3A teams in the state break out in a cold sweat. And well it should. The mighty Tigers have made it to the playoffs for the last seven years straight, claiming two runner-up spots and one championship title in 1989. With this trade record all odds are in their favor.

We, as fans, are proud to be associated with this excellent team and are proud to have these bragging rights. We need to keep in mind, though, that these young men are only human. They spend numerous hours each week preparing for these games, and no matter what the outcome they need us there giving our support. Everyone loves to go to the dressing room to congratulate these guys, but they also need us to be there to let them know that we appreciate their efforts when they lose. They may not say it then, but it will mean the something to them later. From here on out the winner takes all. But if by some strange mishap the Tigers fall, it will be our turn, as fans and friends, to pick them up and give them a chance to stand tall.

**GOOD LUCK TIGERS! YOU WILL ALWAYS BE CHAMPS TO US!**

## Views From THE PRESSBOX

By Ricky Mularz

Things have been a little hectic around the Mularz house for the past two weeks as Mom has spent several nights away from home visiting her Mother, who has been hospitalized in Dothan and Birmingham. Mom has been home a couple of times, but in between it has been me and the girls and we haven't exactly been able to keep up with some of the little household chores, such as washing the dishes, washing the clothes, cleaning the house, etc. We did surprise her last week with a perfectly clean house (thanks to a cleaning lady) and Sunday spent most of the day catching up on the clothes. We still don't know when things will get back to normal, but I can assure you I'm glad the Thanksgiving holidays are here and we'll all get a few days off!

### ELBA TIGERS STEAMROLL FLOMATON IN PLAYOFF OPENER

The Elba coaches kept warning everyone last week that the Flomaton Hurricanes were really as bad as their 3-7 record would make you believe and insisted that the Tigers could be upset if they got caught looking ahead. Well, either Flomaton was as bad as its record indicated or the Elba Tigers played great. I'd like to think it was a little bit of both!

The Elba Tigers took control of the game early and never let up Friday night in posting the lopsided 49-0 win, a win that could have been much, much worse. The Tigers scored the first seven times it touched the ball and in the second quarter piled up an incredible 36 points. The offense was unstoppable and the defense was punishing and unforgetting. The combination was a complete blowout that wasn't even as close as the lopsided 49-0 score would indicate.

The Elba offense was running on all cylinders Friday night and exploded on the ground to bury Flomaton before the visitors had a chance to know what hit 'em. Greg Thigpen ran wild and averaged over 15 yards per carry, while Marcus Tyson had another big night, as did John Jacobs, who gained 41 yards on his only carry of the game, ran the option smoothly and hit one of two passes he threw. The offensive line was playing what they call "Smashmouth" and the rest of the team reaped the benefits.

Over on defense, the Tigers were never really threatened and kept Flomaton wondering what was coming next. The defense picked off 4 passes, had six sacks and totally shutdown the Hurricane running game that had been considered a strength. Linebackers Shane Blanton and Ronald McKinnon both had big nights, as did Bennie Wilkerson, who may have had his best game of the season! The defense kicked butt and took names! It is easy to get carried away after a big win like the one the Tigers posted Friday night, however, I just can't help but believe that the Tigers are still improving and we have yet to see the Tigers at their best. It would take only one bad night to prevent this year's bunch from showing their stuff, but I for one think the 90 Tigers aren't near ready to hang up the pads and think the best is yet to come!

### NEW BROCKTON & ZION CHAPEL SEE PLAYOFF HOPES END

New Brockton and Zion Chapel both closed out the seasons with winning ways and while both faced tough odds, many felt like both teams had real chances to avenge earlier losses to their playoff opponents and advance on in the post-season party. Well, the party ended for both teams Friday night, but both teams will have to admit it was fun while it lasted. Here's a look back....

NEW BROCKTON was given up for dead after opening the year with four losses and then getting waxed by Straughn, but the Gamecocks never gave up and salvaged a respectable season before falling in the playoffs to Cottonwood. The Gamecocks shocked the Bears by jumping on top 13-0 in the first quarter and holding on to a 13-7 lead at the half, but saw momentum shift quickly in the second half on a safety on the second half kick and once Cottonwood got rolling it was little more than a formality. The playoff loss was disappointing, but to make the playoffs this year was a feat in its own right.

ZION CHAPEL turned its program around back in midseason and was looking forward to a bunch more wins, but lost a heartbreaker in its season finale to New Brockton and then after failing to cash in on two early scoring chances Friday night, saw the wheels come off the wagon in a big loss to Arton. The Rebels struck fear in the hearts of no one coming into the season, but began to believe in themselves under a new coach and by the end of the season had developed into a solid 14 team with an eye to the future. The early exit in the playoffs will hurt for a while, but when the Rebs look back and see what happened, and what could have happened, the pride that must be present will resurface and keep the Rebel football program alive and well.

### OPENING ROUND OF PLAYOFFS CREATE FEW SURPRISES

The opening week of the state playoffs always create a lot of interest. I mean, if 96 playoff games don't make football fans excited, nothing will!

Anyways, here are just a few notes I jotted down about week #1....

\*\*\*There were 17 rematches in the first week of the playoffs and the first time winners managed to win 11 of those 17 games. There are only three rematches this week.

\*\*\*Out of the 96 games played a week ago, the Area champs posted wins in 74 games, which ain't too bad. This week the champs will begin battling heads and things will get a bit more interesting.

\*\*\*All six defending state champions began defense of their crowns last week, but 6A Anniston got bounced by Prattville 10-0 and 5A Oxford got shelled by Etowah 35-13, leaving only four defending champs around. Of those, Courtland (1A), Hazlewood (2A) and Pike County (4A) are two-time defending champs, while Elba (3A) won its 71st game in the past seven years with an easy over Flomaton.

### PLAYOFF PICKINGS CONTINUE FOR PROGNOSTICATOR

Ye Ole Polish Prognosticator was smiling this week after hitting on 24 of 28 playoff picks a week ago, but admitted that this week the pickings will get a whole lot tougher now that the weaker teams have been knocked out. For the year the Polish Prognosticator stands at 273-77, which stands on its own!

### ELBA VS. EUTAW

The Tigers played Flomaton for the first time ever last week and strolled to a big win. This week the Eutaw Vikings will make the trip down to Tigertown and while the results may not be as bad as a week ago, you can bet the Tigers won't be in a holiday mood!

## Elba Tigers to host Eutaw Vikings in 2nd round of Class 3A prep football playoffs

The Elba Tigers will be looking to continue their march toward a second straight state football championship Friday night when they host the Eutaw Vikings, in Elba, in the second round of the Class 3A playoffs.

Elba will carry an impressive 9-2 record into the matchup, while Eutaw will enter the game with a 4-7 mark.

The Vikings opened the season with losses to Demopolis 27-14, Aliceville 13-0, Sweet Water 24-0 and Tuscaloosa-Hillcrest 21-0, but then bounced back to claim consecutive wins over R.C. Hatch 54-12 and J.F. Shields 38-20. Losses to Brookwood 40-6 and Sumter County 10-8 followed the winning streak, while the Vikings closed out the regular

season with a win over Francis Marion 18-12 and a loss to Paramount 26-6. In the opening round of the playoffs, Eutaw defeated Holtville 18-0.

"Eutaw has played a tough schedule and doesn't have that good a record," stated Elba's Coach Mack Wood, "but they are in the second round of the playoffs and have to be pretty good or they wouldn't have made it to the second round. A look at their schedule will show you why they had a less than impressive record. They lost to SA Demopolis, SA Hillcrest and 4A Brookwood during the regular season, and playing those kind of folks helped them when the playoffs started."

"On offense," said Wood, "they use a Pro-I and like to run behind a very big offensive line. They have some big linemen up front that can overpower a defense and have a good set of backs that have excellent speed. They like to run the option, hit the fullback in the middle and aren't afraid to put the ball in the air. Their offense isn't real explosive, but it can score points, as is evident by the 54 they scored in an Area game against Hatch. Over on defense they use both a 4-4 and 6-2 alignment and really get after the ball. They can cause problems for the opposing team because of the way they move all over the field and are a hard team to block."

"We feel like we have the better team," added Wood, "but we'll have to play well in all aspects of the

game of the season could come to an end Friday night. On offense we'll have to take control in the line and establish our running game, while at the same time be effective passing the football. We'll have to block well to move the football and how well we block their defense will be a key to the game for us. Our defense will have to continue playing aggressive and also play smart. Eutaw is capable of just lining up and running right at us, so, we'll have to be tough up front and be alert in the secondary for the pass. We'll also have to be ready for a trick play or two, and not give up any cheap touchdowns."

"We don't care what kind of record they have," said Wood, "they stand behind us and what we hope to accomplish and they are next in line. Our players have to realize that there are no tomorrow when you lose and play like it's the last game they'll play, because it could be."

When asked about the opening round 49-0 win over Flomaton, Coach Wood stated "We played well on both sides of the ball and played like we want to play football for several more weeks. The offense executed well throughout the game and everybody on the offensive side of the ball played well, while over on defense the effort was outstanding and we really got after them and dictated the tempo of the game."

"It was a big win for our team and hopefully we can use it to inspire our players to do even better this week," closed Wood.

## Elba Junior Tigers open season with four wins

The Elba Junior High Tigers opened their basketball season in grand fashion last week by claiming four impressive wins.

The Tigers opened the season with a 47-38 win over Luerne, then pounded Enterprise Junior 54-43 and Dauphin Junior, of Enterprise, 70-29, before closing out the winning week with a 60-55 overtime win over Luerne.

Following are highlights of the four wins:

### ELBA 47 LUEVERNE 38

Elba rallied from a 24-17 halftime deficit to post an exciting 47-38 win over Luerne, in Luerne.

The Tigers led 8-7 after one quarter, but were outscored 17-9 in the second quarter as Luerne raced out to a 24-17 halftime advantage. The Tigers regained control in the third quarter behind the scoring of David Yelverton and Keith Grantham and then rolled to the win.

David Yelverton scored 16 points to lead Elba, while Keith Grantham and Tony Hooks both added 12. Also scoring were Will Magwood 5 and Perry Stinson 2. Jones led Luerne with 14.

### ELBA 54 EPRISE 43

Elba grabbed an early lead and held on to defeat Enterprise Junior 54-43, at Enterprise.

The Tigers jumped out to a 13-9 first quarter lead and slowly pulled away for the win.

Will Magwood scored 14 points to lead Elba, while David Yelverton added 11. Also scoring for Elba were Perry Stinson 9, Keith Grantham 8, Josh Caldwell 7, Tony Hooks 3 and Richard Kyles 2. Neal led Enterprise with 18 points.

### ELBA 70 DAUPHIN 29

Elba dominated action from the opening tip to bury Dauphin 70-29, at Enterprise.

The Tigers jumped out to a 22-8 lead in the opening stanza behind the play of David Yelverton and Will Magwood and stretched the lead to 58-23 in the third quarter before emptying the bench.

Tony Hooks scored 17 points to lead Elba, while David Yelverton added 16 and Will Magwood added

## 8th graders claim wins

The Elba 8th grade Tigers opened their basketball season last week and posted a pair of wins to race out to a 2-0 record.

Following are highlights of both wins:

### ELBA 30 LUEVERNE 12

Elba scored only two points in the opening stanza, but then woke up

and clobbered Luerne 30-12.

Scoring for Elba were Cory Howe 10, Rosco Coleman 10, Chris Tyson 5, Che Vaughan 3, Brian Rowe 2 and Blake Boutwell 2. Hall scored 6 for Luerne.

## Tigers turn Hurricanes into drizzle, post easy 49-0 win

The Elba Tigers scored the first seven times they got their hands on the football and then took it easy Friday night as they clobbered the Flomaton Hurricanes 49-0, in the opening round of the Class 3A playoffs.

The win, the sixth straight for the Tigers, upped Elba's record to 9-2, while Flomaton ended the season with a 3-8 slate.

Flomaton received the opening kick, but moved backwards behind the defensive charge of Ronnie Joe Edwards, and after a 23-yard punt return by Elba's David Rowe, the Tiger offense came in with excellent field position at the Canes 41-yardline.

Greg Thigpen gained 13 yards on the Tigers' first play from scrimmage, added 10 on the second play

and then got the call again and on the third play broke loose for an 18-yard scoring dash. The extra-point try was wide, but with 8:33 left in the first quarter the Tigers were off and running with a 6-0 lead.

A diving pass interception by Elba's Marcus Tyson gave the Tigers the ball back at the Elba 31-yardline late in the stanza, and this time the Tigers marched 69-yards in 9 plays to increase their lead.

A 12-yard pass from John Jacobs to David Rowe was a big play in the drive, while Greg Thigpen, who gained 44-yards on 4 carries during the drive, got the touchdown on a 14-yard scamper. Jacobs passed to Ronald McKinnon for the two-point conversion and with 11:52 left in the second quarter the Tigers lead was up to 14-0.

A 20-yard punt return by David Rowe set the Tigers up at the Elba 49-yardline with 10:51 left in the quarter, and this time it took only one play to cover the distance!

A penalty against Flomaton on first down moved the ball to the Hurricane 41 and on the next snap Elba quarterback John Jacobs kept the ball on an option and raced untouched 41 yards for another Elba score. Jacobs also ran in for the two-point conversion and with 10:18 left in the half the Tigers were in charge with a 22-0 bulge.

A blindside tackle on the Flomaton quarterback by Marvin Luckett resulted in a fumble that was recovered by Elba's Ronnie Joe Edwards on the first play of the ensuing series and the Tigers were right back in business at the Canes 28-yardline.

After a pass fell incomplete on first down, David Rowe got the call on a reverse and sprinted down the sidelines 28-yards for the Tigers third touchdown in less than three minutes.

The extra-point attempt was blocked; however, with 9:03 still left in the half the Tigers lead stood at 28-0 and the rout was underway.

Elba's Anthony Brashers picked off a Flomaton pass and returned it 27 yards to the Flomaton 42-yardline to set the Tigers up with 7:21 left in the half, and this time it again took the Tigers only two plays to reach the endzone.

Greg Thigpen was stopped for a one-yard gain on first down, but on second down Marcus Tyson got the call and raced 41-yards for yet another Elba touchdown.

Jamie Bass nailed the extra-point and with 6:08 left in the wild second quarter the Tigers were way ahead 35-0.

Elba's Greg Thigpen intercepted a Flomaton pass and returned it 28 yards to the Flomaton 38-yardline with 5:23 left in the half and this time the Tiger reserves got their chance and responded as they marched 38-yards in 11 plays to add to the Elba lead.

The drive came entirely on the ground and was sparked by the running of Teddy Burks, who gained 24-yards on six carries and got the touchdown on a 3-yard blast on the final play of the half.

Jamie Bass hit the extra-point and at the half the Tigers went in with a lopsided 42-0 advantage!

Flomaton recovered an on-sides kick to start the second half and promptly marched to a first down at the Elba 38-yardline, only to find the Elba defense too hard to handle, and gave the ball back to the Tigers on downs at the Elba 33.

The Elba starters were sent back in the game for one final series, and it didn't last long, as on the first play from scrimmage Greg Thigpen broke loose and rambled 67-yards for another Elba score.

Jamie Bass nailed the p.a.t. and with 7:51 left in the game the Tigers put their scoring machine up for the night with a whopping 49-0 lead!

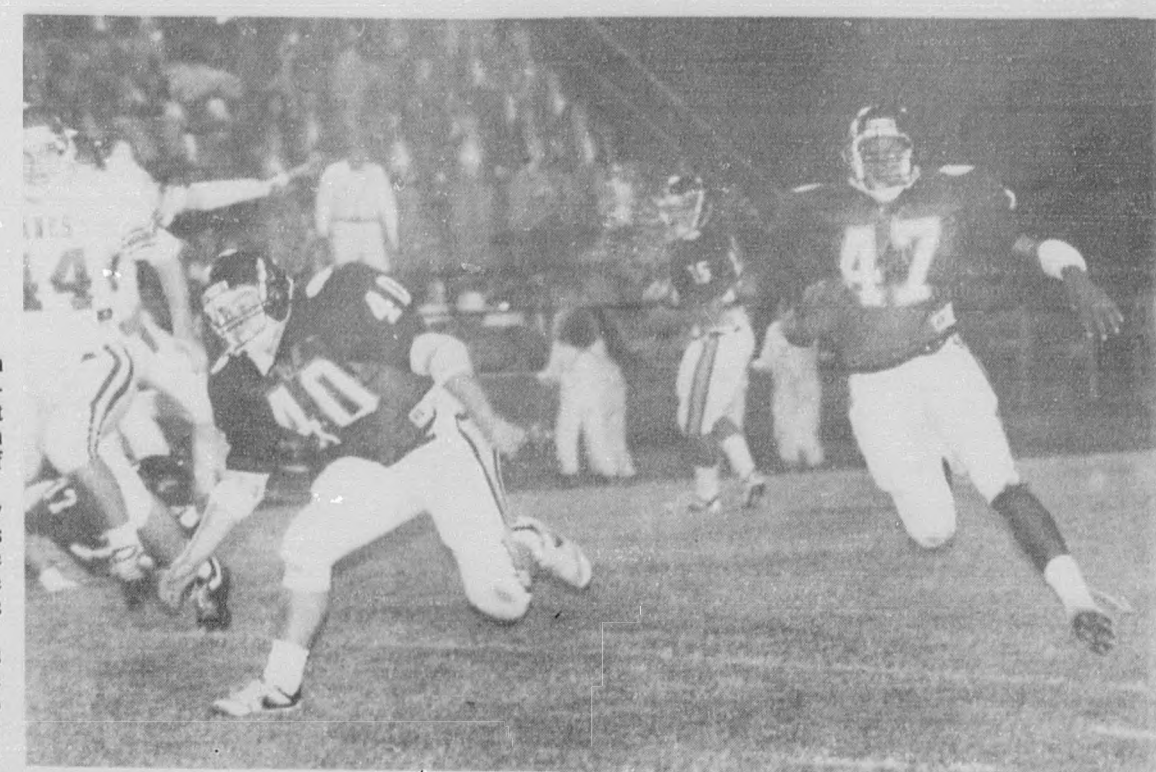

Elba's Greg Thigpen recovered a Flomaton fumble and Scotty Dawson intercepted a Hurricane pass in the fourth quarter to help the Tigers preserve the shutout, while Teddy Burks and Enzell Thomas made the most of their playing time in the offensive backfield and both had big runs as the Tigers strolled to the easy 49-0 win.

Greg Thigpen gained 153 yards on only 10 carries and scored 3 touchdowns to spark the Elba offense, while Marcus Tyson gained 61 yards on 9 carries and Teddy Burks added 61 yards on 14 carries.

Bennie Wilkerson made 9 tackles and had 2 assists to lead the Elba defense, while Shane Blanton and Ronald McKinnon both made 8 stops and Ronnie Joe Edwards and Phillip Compton added 6 stops each.

Elba's Greg Thigpen (47) looks for room to run as fullback Shane Blanton (40) closes in to make block. Thigpen gained 153 yards on only 10 carries and scored three touchdowns last week to propel the Tigers to a 49-0 playoff win over the Flomaton Hurricanes. Elba will host Eutaw this week in second round action.

Elba's Kyle Dubose (62) and Shane Blanton (40) got a chance to take a break Friday night after the Tigers rolled up a 49-0 lead early in the third quarter against Flomaton. The Tigers will continue their quest for a second straight state championship this week when Elba hosts Eutaw.

Zion Chapel's Jeremy Law (11) goes high to catch a pass in the Rebels' 36-8 playoff loss to Arton. Law saw action at both wide-receiver and quarterback during the playoff action.

## Purple Cats knock Zion Chapel out of playoffs 36-8

The Zion Chapel Rebels saw their trip to the 1A state playoffs take a quick detour Friday night as the Arton Purple Cats pulled away in the second half to bury the Rebels 36-8.

The Rebels showed signs of life offensively in the opening stanza, but failed to put any points on the scoreboard.

The first Rebel threat came on their opening possession as Zion Chapel crossed midfield behind the running of Tracey Woods and a 26-yard pass from Jeffery Flowers to Dynoris Smith, only to see the drive bog down at the Arton 47-yardline.

The second time the Rebels got their hands on the football they again headed toward the Arton goaline, and this time marched all the way down to a first down at the Purple Cat 18-yardline.

Tracey Woods gained 31 yards during the march and converted on a key fourth down play at the 28, however, quarterback Jeffery Flowers was sacked for an 11-yard loss after the Rebels had moved to a third and six at the 14, and a fourth down pass was picked off to end the threat.

The Cats returned the interception to their 27-yardline and needed only 4 plays to cover the 73 yards to the endzone.

A 43-yard pass was a big play in the scoring drive, while Kerry Lee got the touchdown on a 4-yard scamper with 6:00 left in the half. The extra-point try was good and Arton was ahead to stay at 7-0.

The Purple Cats got the ball back late in the half and marched 69 yards in 11 plays to increase their lead to 14-0.

Arton hit on 2 of 4 passes for 25 yards during the drive, while the score came on an 8-yard scamper by Kerry Lee with only 10 left in the half.

Arton continued its assault in the third quarter as the Purple Cats marched 66-yards to paydirt on its first possession of the half.

Kerry Lee had a big 36-yard scamper during the drive, while this time the score came through the air when Josh Herring hit John Cherry with a 16-yard scoring strike with 7:09 left in the quarter. The p.a.t. was good and the Cats were on the run with a 21-0 advantage.

Arton hit on 2 of 4 passes for 25 yards during the drive, while the score came on an 8-yard scamper by Kerry Lee with only 10 left in the half.

Arton continued its assault in the third quarter as the Purple Cats marched 66-yards to paydirt on its first possession of the half.

Arton continued its assault in the third quarter as the Purple Cats marched 66-yards to paydirt on its first possession of the half.

Kerry Lee had a big 36-yard scamper during the drive, while this time the score came through the air when Josh Herring hit John Cherry with a 16-yard scoring strike with 7:09 left in the quarter. The p.a.t. was good and the Cats were on the run with a 21-0 advantage.

Arton got the ball right back at the Rebel 49-yardline as a Rebel fumble and needed only four plays to reach the endzone, again, with the score coming on a 2-yard run by Jeremy Herring. The p.a.t. was again true and Arton was on top 28-0 with 5:07 left in the third quarter.

A 1-yard run by Cedric Hayes with 11:57 left in the game enabled the Purple Cats to go ahead 36-0; however, the Cats failed to hold on to the shutout as the Rebels marched 55-yards midway through the quarter to reach the endzone!

Jeffery Flowers and Jeremy Law were the main weapons during the drive, while it was Tracey Woods who got the touchdown on a 1-yard plunge. Flowers added the two-point conversion and with 4:35 left on the clock the Rebs were on the board, though trailing 36-8.

Tracey Woods gained 87 yards on 19 carries to lead the Rebels, while Kerry Lee gained 133 yards on 17 carries for the Purple Cats.

Arton got the ball right back at the Rebel 49-yardline as a Rebel fumble and needed only four plays to reach the endzone, again, with the score coming on a 2-yard run by Jeremy Herring. The p.a.t. was again true and Arton was on top 28-0 with 5:07 left in the third quarter.

## Gamecocks ousted 35-13

BY GREG BRUNSON

The New Brockton Gamecocks traveled to Cottonwood Friday night in the first round of the 2A state playoffs and rushed out to a 13-7 halftime lead, only to see the Bears storm back in the second half to claim a 35-13 victory.

The Gamecocks' best possession of the game began at the Cottonwood 2-yardline after Albert Covington raced in to block a Joey Hooper punt. Two rushes by Adrian

Cason got New Brockton into the endzone with 9:01 to play in the first quarter and William Moguel added the p.a.t. to give the Gamecocks an early 7-0 lead.

Drexel Brown set up the next Gamecock score when he recovered a Cottonwood fumble at the Gamecock 40-yardline.

Robert Kilow took a Rex Caldwell pass away from two Bear defenders to get the ball to the Cottonwood 13, while another 12-yard completion from Caldwell to Kilow

moved the ball down to the six-inch line. From there, Caldwell carried the ball into the endzone on an option right, and although the p.a.t. attempt failed, New Brockton was holding a 13-0 lead with 2:33 left in the first quarter.

Before the half ended, Rex Caldwell stopped two Cottonwood scoring threats with interceptions; however, Eric Morris did connect on a 60-yard scoring strike to Taiwan Truitt with 5:08 left in the quarter as Truitt took a short pass and raced down the sidelines for the score. Roosevelt Godwin made the score 13-7 with the p.a.t. and that was how it stood at the half.

Lightning struck as the second half opened as Adrian Cason retreated to the two-yardline to field the second half kickoff, only to be tackled in the endzone for a safety that cut the lead to 13-9 only seconds into the second half.

The game resembled a comedy of errors with the two teams committing a total of 5 turnovers in the next six minutes of action.

New Brockton's Robbie Lobdell and Freddie Brust both recovered fumbles by Steve Truitt, while Taiwan Truitt intercepted a pair of Gamecock passes and Jamie Jackson recovered a Gamecock fumble.

The last of the turnovers gave the Bears the ball at the Cottonwood 38-yardline, and on second down, Steve Truitt took a handoff and raced untouched 62-yards to paydirt. Godwin added the p.a.t. to give the Bears a 16-13 lead with 4:14 left in the third quarter.

The fourth quarter belonged to the Bears as they outscored the Gamecocks 19-0 to roll up the big 35-13 win.

The first score of the stanza was set up by a 71-yard run by Steve Truitt down to the Gamecock 9-yardline, while the score came on third down and 4 when Santion Caine plowed up the middle for the touchdown. The p.a.t. failed, but the Bears were slowly taking command with a 22-13 advantage.

The Bears next drive started at the New Brockton 47 and was climaxed when Caine went 40-yards on second down for the score. This time the p.a.t. was good by Godwin and the score went to 29-13 with 5:49 remaining in the game.

The final score of the night came with only :49 left on the clock as Caine scored his third touchdown of the quarter on a 9-yard dash. A two-point try failed, making the final score Cottonwood 35 New Brockton 13.

Steve Truitt was the game's leading rusher with 160 yards on only 10 carries, while Santion Caine added 68 yards on six toes and Roosevelt Godwin added 60 yards on 11 tries.

The first score of the stanza was set up by a 71-yard run by Steve Truitt down to the Gamecock 9-yardline, while the score came on third down and 4 when Santion Caine plowed up the middle for the touchdown. The p.a.t. failed, but the Bears were slowly taking command with a 22-13 advantage.

## 4-H Wildlife Field Day Is Exciting

By Richard Petcher - Assistant County Agent

Our 1990 Coffee County 4-H Wildlife Field Day was an exciting day for 75 4-Hers. This event was held at Camp Alafie near New Brockton. I heard a quote recently. "It is easier to build boys and girls than to mend men and women." I believe this to be very true. The Wildlife Field Day was sponsored by the Alabama Department of Fish and Game and the Coffee County Extension Service.

The events held were hunter safety, rifle, skeet, archery, mystery meat, snake identification, and Indian soft walk. It was very exciting to see these youth learn and let them learn to appreciate our natural environment and to gain respect and skill with the shooting sports. Our natural wildlife and shooting sports are a very important part of our American heritage. Of the 75 youth attending, about 20 had never shot a rifle and about 35 had never shot a shotgun. Many others had never shot a bow and arrow, never eaten wild game, or come in contact with a snake as they were that day. One of the most important skills learned during the Indian soft walk was how to be quiet. This, too, is a skill that many of our youth are lacking. They learned 100 percent of what they learned by example.

I want to thank the many people who helped make this day possible. They were excellent examples for these youth. First of all with the Alabama Department of Fish and Game

I want to thank Sandra Saville from Coffee County, John Holloway from Covington County, Randy White from Coffee County, Ron Smith from Houston County. These game wardens did an excellent job of training our youth in the area of hunter safety and in the shooting sports. Dr. James Armstrong, our wildlife specialist with Auburn University, also gave a fun and informative talk on snakes. I also want to thank our many volunteer leaders who helped with this day. Phil Farris and Wayne Ballard taught the rifle. County Agent Stan Windham and Wade Fulford taught the archery. Dennis Fulford cooked and presented the mystery meat. Steve Hawthorn with the help of Susie Farris and Jan Ballard taught the Indian soft walk. Nicki Jinnight presented the awards. I also want to thank the men and women who helped as group leaders - Don Nelson, Paul Anderson, Mr. and Mrs. Steven Rego, Greg Whitlock and Jerome Ward. Thank you for being excellent leaders and examples on this day. I also want to thank all the county agents for making sure that this was a fun and exciting and safe day for our youth.

## 5th Grade 4-H Zion Chapel Meets

By Danielle Richards

Thursday, October 4, the Zion Chapel 5th grade girls attended a 4-H meeting. 19 girls were present. We elected our officers: President - Mrs. Angela Hughes, passed out cards that had projects on them for us to select and then we dismissed.

## Johnson Complete Basic Training

Pvt. 1st Class Thomas J. Johnson has completed basic training at Fort Leonard Wood, MO.

During the training, students receive instruction in drill and ceremony, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Johnson is the son of Murrell Johnson of Jack, AL, and Ann Johnson of Samson, AL.

State 4-H Congress - Coffee County 4-Hers and leaders who attended the 1990 State Congress at Auburn University are: (front, left to right) Richard Petcher, County Agent; Charles Patterson, Kinross; Laura Hall, Elba; Crystal Carpenter, Elba; Jamie Brockton, Elba; Mrs. Myrna Rhoades, Elba; Angela Hughes, County Agent (2nd row) Stan Windham, County Agent; Robyn Rhoades, Elba; Chris Caldwell, Kinross; Sharon Rodgers, Zion Chapel; Gena Edwards, New Brockton; Grant Coleman, Elba; (back) Jeff Watson, Kinross; Chris Kilcrease, Kinross; Jamie Wysocki, Kinross; Marcus Cook, Kinross.

## Cooking Foods Properly For The Holidays

By Angela Hughes-County Agent

### Sweet Potatoes

You've had plenty of sweet potatoes this season and you've prepared them in several different ways. Now how can you fix them that will be something different. I recently ate some sweet potato bread that Linda Johns, from Enterprise, baked. You

might enjoy this recipe.

3 cups plain flour  
1 1/2 t. salt  
1 1/2 t. baking soda  
1 1/2 t. cinnamon  
1 1/2 t. nutmeg or allspice  
3 cups sugar  
2 cups cooked mashed sweet potatoes  
1 cup cooked oil  
2/3 cups orange juice  
4 eggs  
1 cup chopped pecans  
1 cup raisins (optional)  
Preheat oven to 350.

Sift flour, salt, soda, spices together. In additional bowl cream sugar, oil and eggs. Add orange juice and sweet potatoes gradually. Add flour mixture and mix well. Stir in nuts and raisins. Bake in greased loaf pan one hour.

Cooking Foods Properly For The Holidays

Although the holidays can often become a very busy time, it is important to remember that there are no

short cuts to preparing a safe meal. Remember that no matter how rushed the atmosphere gets, food, safety is the number one priority when preparing food for a large gathering. It is important to remember that foods cannot be cooked below 325 degrees Fahrenheit or this may allow time for bacteria to grow on the foods.

One option is to ask those coming to the big feast to bring a dish. Make sure that the people bringing food dishes do not leave out in the danger zone between 40 and 140 degrees Fahrenheit for more than two hours on the way to the meal. If this is not possible, then make plans for preparing the foods yourself.

Another option is to fully cook as many dishes as possible beforehand and reheat them in the oven or microwave prior to eating. Advance planning and cooperation can make your holiday meal one of the best yet and, most importantly, can allow it to be safe.

## Farm Meetings Set

Stan Windham-Associate County Agent

We have had several people throughout the summer and on into fall that have called related to two topics in particular. One is feeding cattle, particularly with the drought and feed conditions we have had this year. Another question relates to farm management and taxes as it relates to such a year as we have had. With these two concerns in mind, we need to address these issues with as much expertise as we can. In order to do this, we have set up two educational meetings to help you to be better prepared for these two situations throughout 1990 and into 1991.

The first meeting will be held Thursday, November 29, beginning at 6:30 p.m., and the topic will be "Feeding Beef Cattle." On the program will be Dr. B. G. Ruffin, beef nutritionist from Auburn University. B. G. brings to the meeting a vast research background, but also has about 150 beef cows himself. So he also combines his academic knowledge with some practical know-how. We are going to talk about everything possible in feeding beef cattle and the most economical way to do it. This is pretty important considering 80-90 percent of your cost of raising a beef animal is feed.

Also on the program for the feed meeting will be the Synhex Company, makers of Synovex implants. Purina Feed Company, courtesy of Mr. David Fine, Fine's Farm and Garden, will also be on the program. These two companies will be sponsoring your meal for that night.

We will be covering topics such as ration formulation, least cost rations, feeding techniques, broiler litter, processing broiler litter, feeding broiler litter, combination of broiler litter and winter grazing, and many other topics related to feeding beef cattle.

Another big concern this year, as I stated earlier, has been farm management questions related to taxes, banking, and record keeping, particularly in a year where we have had everything from it raining 40 days and 40 nights to the great drought. Therefore, on Thursday, December 6, beginning at 7:00 p.m., we will have a Farm Management Meeting featuring three speakers from three different walks of life. One will be a tax representative who will be able to help you determine what you can deduct and what you cannot deduct where you might have faced washing of land and crop loss due to drought. We will also have a representative from the Production Credit Association who will talk about how farm credit looks in the next years, particularly with the issue of crop insurance hanging in the balance. We will also feature Mr. Alan Miller with the Farm Analysis Association out of Headland. Alan will talk to you about the easiest way to keep your records and how also to find where the holes in your operation are and where you are losing money. The more diversified you are, the harder these holes are to find sometimes.

These are two meetings we feel like here at the Extension Office will give you some good insight on how to meet the winter and head into 1991. If you have any questions, give me a call at 894-5596. I will be glad to help you.

Save Your Way To Financial Security  
Charlotte Martin - Assistant County Agent In Training

Gaining financial security and peace of mind means controlling your money. You either control it, or it controls you. Some people let their money control their lives. Money tells them where they can go and what they can do. Such people say that they like to spend money spontaneously, and yet they always seem unable to afford things they really need or want. Year after hard-working year they make little if any progress. They remain in the same financial rut as before, and often worry about money. They drift, live hand-to-mouth, make no financial progress, and argue or worry about money and their future constantly.

Taking control of your money means avoiding "crisis spending," by anticipating as much as possible your expenses and other financial needs, and making provisions for inevitable financial "emergencies." Financial emergencies are not unpredictable; they are inevitable and happen to everyone! Taking control of your money and gaining financial peace of mind cannot be done without savings, and savings are the heart and soul of successful money management.

Saving is simply postponed spending, not denial. It's a positive step that leads to financial control, peace of mind, financial progress, and flexibility. You should build an emergency savings or reserve fund equal to 4 to 6 months of after-tax income (enough to cover 4 to 6 months of expenses such as food, mortgage, car loan payments, utility bills, and other necessities if your income should be temporarily cut off).

If you are not accustomed to saving a portion of your income, it may seem difficult. In the beginning, "Paying yourself first" may make saving a little easier. When those financial emergencies arise, you will be relieved that savings have become a regular part of your budget.

You can say many things about Macintosh.

But "I can't afford it" is no longer one of them

You can talk about how simple the Apple Macintosh computer is to use. Or how it can think the way you think. Or how compatible it is with other computers.

But think again when the word "expensive" comes to mind. Because it's just not true any more. Introducing the Macintosh Classic computer. It's the most affordable Macintosh, yet it has all the capabilities you need to handle basic applications, such as word processing and spreadsheet analysis.

The Classic is a completely integrated Macintosh system. Its monitor, keyboard, mouse and system software are all included, as are extras you might not expect such as built-in networking and the Apple SuperDrive™ disk drive, which lets the Classic read from and write to MS-DOS, OS/2, and ProDOS files.

Stop in today. We'll show you how it's possible for nearly anyone to afford a Macintosh. Comfortably.

## Long-Running Favorites

Guaranteed to Last.

Russell Athletic's sweat pants, sweat shirts and pullover hoods are war-guaranteed\* for five full years. And their classic style outruns any fad. No wonder they're such favorites. And going so fast. Better run by before we run out.

\*Exclusive of team or organized sports participation.

## Push A Button And Unwind.

The Honda Elite™ 150 Deluxe has a bold style all its own. But the real beauty is how easy it is to use. Start it by pushing a button. Ride it with no shifting. There's digital instrumentation. Even a pop-up headlight.

What's more, the powerful engine makes it easy for two people to unwind at once.\* Which gives you twice the reason to come by and see it.

**HONDA**  
Come ride with us.

## Your Baby Deserves Better!

Your baby deserves the comfort that only cloth diapers can offer: Freedom of movement, natural absorbency and perfect softness.

The modern cloth diapers from Better Baby Bottoms Diaper Service are contoured for a smooth anatomical fit. Multi-layered padding provides better moisture absorption and available nylon covers with Velcro® fasteners end the need for diaper pins.

Take advantage of our Grand Opening Special during the month of November 1990 and save 25% off our regular low price for your first month's service.

Cloth is simply better for your baby and better for the environment, too. Call us today and let us show you the modern cloth alternative to disposable diapers.

## Bring it all home with the IBM® PS/1™.

The IBM PS/1 is a great value, because it comes right out of the box with popular options already included. You get high-resolution VGA Photo Graphics™ display, an IBM Selectric® Touch™ keyboard, a mouse and a built-in modem. Plus you get IBM DOS and Microsoft® Works, the best-selling integrated software package - a word processing, spreadsheet, communications and database program. You also get, at no extra charge, three months of the PRODIGY™ service for home shopping, banking, travel arrangements and more. And, a free trial period of Promenade™, PSI's exclusive home education service.

The IBM(PS/1) is a new kind of personal computer that gives you the power to do office work at home... plus the ease-of-use to make it a valuable tool for

everyone in your family. All at a price that's right in your neighborhood.

It's easy for your whole family to use. Its built-in tutorial will even teach you how. Then you can do everything from writing letters to handling budgets. And if you get stuck, you can get "HELP" with a click of the mouse.

The PS/1 can be easily expanded, so it'll grow as your family's computing needs change. And you'll find the easy-to-use letter-quality IBM PS/1 printer a perfect addition.

Stop in today to learn more about the computer that brings it all home - the new IBM(PS/1). You'll want to bring it home, too.

Bring it all home with IBM® PS/1™.

COMMISSION PURCHASES LANDFILL SITE FOR \$151,905.00

## Jeter Subdivision residents wants their roads fixed now

By Marvin McIlwain  
Elba Clipper Editor

A group of residents from the Jeter Subdivision appeared before the Coffee County Commission seeking help on improving their roads.

Spokesman for the group, James Sims, reminded the commission that the roads into the subdivision, Indigo Creek Road and Tanyard Branch Road, had been accepted for county maintenance back in 1972. He presented documentation to substantiate his claim to the commissioners.

According to Mr. Sims, "In the past 10 years, this road has decreased and has not been improved."

The commissioners were told that on Friday, November 16th, several of the children who live in the subdivision had to walk home because the county school bus would not travel the road. Due to heavy rain, the driver of the bus said it was unsafe for the bus to travel.

Mr. Sims' child was one of the children who had to walk approximately .8 of a mile from AL-51.

Commission Chairman Billy Eagerton stated that the county has made several attempts to fix the roads in question, but he admitted, very little has been accomplished.

Eagerton cited one incidence where a culvert was installed to county of the subdivision (the person no longer lives in the subdivision) dammed up both ends of the culvert.

Water lines into the subdivision, according to Eagerton, also pose a problem to any work being done on the roadway. He said that when ditches are pulled on the road, water lines are torn up and have to be repaired.

"We have done a lot or we tried to do a lot," said Eagerton, "and everytime its always that I'm going to get sued or we're going to get sued or something!"

"I've even been asked to pump the water (drainage water) up hill - we can't pump the water up hill!" said Eagerton.

The documents shown to the commissioners calls for a thirty-foot right-of-way. According to County Engineer Mark Pool, thirty feet is simply not enough right-of-way to build a road adequate enough to handle the volume of traffic into the subdivision.

As to water drainage, Pool stated that the water will have to be directed toward the lowest points in order to get proper drainage. He said this means it's going to drain onto or cross someone's land.

Pool stated that the road condition in Jeter Subdivision "will only get worse and worse."

"The more it's bladed the worse it will get!" Pool said. "Paving is the only solution."

An attempt was made several months ago, according to county officials, to acquire deeds to additional right-of-way, but only two or three residents signed the deeds.

Those residents present in Monday's meeting expressed concern that no county official accompanied the individual who was attempting to get the deeds signed.

"No one told us what was going on" was the group's response.

At times, it appeared that the discussion was going to get out of hand and a shouting match would ensue.

The group was reminded by Chairman Eagerton that he and Mark Pool had met with a group of residents from the subdivision several months ago, but nothing was accomplished because the meeting deteriorated into "one big argument."

After approximately forty-five minutes of discussion, there was no concrete agreement reached on how to best fix the road. The thirty feet of right-of-way, the water lines, and water drainage seemed to be the big questions or stumbling blocks to reaching a decision on what to do.

Chairman Eagerton told the group that he would be willing to set down with them and resolved their road problem once and for all, but he would not participate in another shouting match or name calling contest.

"I'm fully convinced that Mark has the expertise to build you a road," Eagerton said. "I'm fully convinced that this commission will support building a road as long as you (the group) and we get together on how to do it," continued Eagerton.

Eagerton asked that Mr. Sims get with him on setting up a date to discuss the matter.

He thanked the group for coming to the meeting.

The commission passed a resolution commending Sandra Coffey, Coffee County Extension Service Agent, for the work that she and her agency has done with the Adopt-A-Family.

Mrs. Coffey accepted the resolution on the behalf of the other four county agents commencing that without their cooperation, very little could have been accomplished.

The commissioners were told by Mrs. Coffey that the Adopt-A-Family Program is now being "phased down," but follow-up work will continue in the program.

Pool recommended to the commission the purchasing of a site for the new county landfill. The approximately 450 acre site is located Northeast of Elba on Alabama Highway 125 between the Wise's Mill and Victoria Communities.

There were 18 different sites looked at by the county, but according to Pool, only three of them really met the requirements as a potential landfill.

The cost of the land to the county is \$151,905.00 which will be financed over a five year period by the landowners themselves.

The commissioners voted unanimously to purchase the land.

With the purchase of the land, the county can now make application for a landfill permit to the Alabama Department of Environmental Management (ADEM).

Several weeks ago the county was successful in obtaining a moratorium exemption from ADEM.

After the bid for steel pipe to Gulf Atlantic of Tallahassee, Florida. The amount of their bid was \$3,957.24 with a delivery of 3 to 10 days from receipt of order.

Engineer Pool told the commissioners that fuel costs were over \$8,000 per month due to the increase in prices.

Agreed to review insurance needs on flood damaged buildings in Elba before renewal (DHR bldg., Old Jail, Annex, and old Church of Christ bldg.).

Mobley informed commissioners of a 1:00 p.m. meeting today to review employee health insurance providers proposals.

**RESOLUTION PRESENTED.** Commission Chairman Billy Eagerton is shown presenting Mrs. Sandra Coffey with a resolution passed by the commission praising her for the work she has done with the Adopt-A-Family Program in Elba. Mrs. Coffey was quick to say that without the assistance of many, many others in the effort, none of what was accomplished would have been possible!

Agreed to review insurance needs on flood damaged buildings in Elba before renewal (DHR bldg., Old Jail, Annex, and old Church of Christ bldg.).

Mobley informed commissioners of a 1:00 p.m. meeting today to review employee health insurance providers proposals.

PROGRAM IS NOT BEING TERMINATED!

## Adopt-A-Family Program phasing down

By Marvin McIlwain  
Elba Clipper Editor

Glenn Vaughan with the Adopt-A-Family Program in Elba informed this reporter that the program is being "phased down."

On December 31, the offices for the program will be moved to Enterprise, Alabama and headquarters will be at the Coffee County Department of Human Resources. DHR offices are located on N. Edwards Street next to The Enterprise Ledger.

Mr. Vaughan emphasized the fact that the program is not being discontinued, but is simply being phased down.

Ron Smith, director of the DHR, said, "We will continue to work with Adopt-A-Family, but it will be in a new physical setting."

The present location in Elba is in a trailer belonging to the Alabama Highway Department. It was on loan to the program until the end of the year.

Personnel with the county's Extension Service and Department of Human Resources will continue to administer the program for an indefinite period of time.

Vaughan advised us that he will be re-entering the retired life after coming out of retirement to assist in administering the Adopt-A-Family Program.

A job well done Glenn! During the transition period, information concerning the Adopt-A-Family Program may be obtained by calling DHR at 847-5856 or the Coffee County Extension Service at 894-5596.

We will continue to monitor future developments in the Adopt-A-Family Program and report them to you.

## Council approves CDBG resolution

By Ferrin Cox  
Elba Clipper Publisher

up 13 dogs. One of those was returned to the owner.

Other than those two items of business the council did hear Mayor Fred Moore say he would get copies of the FEMA damage reports on the city streets for the council members.

He added there wasn't very much money approved for street repairs.

Council members expressed some concern over the condition of Putnam Street and that is what prompted the discussion of the FEMA funds for street repairs.

Please See Council, Page 3

**ELBA HAPPENINGS**

**ADOPT-A-FAMILY** To adopt a family call 1-800-422-0180 or 897-3550 or 897-3552. There have been 480 out of 515 families adopted to date!

**OPERATION SANTA** New and used toys are now being accepted at the Elba Police Department. Bring them in today! The deadline is fast approaching.

**CHRISTMAS FESTIVAL** The Christmas Festival will be held on December 8, 1990. Deadline for event entries into the festival is November 30th. Call the Chamber of Commerce Office @ 897-3125 for information.

**3-A STATE PLAYOFFS** Elba plays Dallas County in Plantersville, Alabama, Friday night at 7:30 p.m. Plantersville is located approximately 17 miles North of Selma on AL Hwy. 22.

**HEALTH CARE WEEK PROCLAIMED.** Mayor Fred Moore proclaims the week of Nov. 25 thru Dec. 1 as Home Health Care Week in Elba. The Mayor is joined by, right, Ann Edwards, office manager of the Coffee County Health Department and, left, Jany McIntosh, R.N., supervisor of home health care for the Health Department.

## Elba's Christmas Parade to be night event

The 1990 Elba Christmas Parade is scheduled for 5:00 p.m. according to event organizers. The parade will be Saturday, December 8 and is part of the third annual Christmas Festival sponsored by the Elba Chamber of Commerce.

"A night parade will give spectators an opportunity to enjoy our beautiful downtown decorations," said Jack E. Brunson, Festival chairman. The after dark starting will also lend a new dimension to the parade, as all entries are being asked to decorate with Christmas lights. As the parade begins at the old elementary school parking lot on the Troy Highway, a "Town Lighting Ceremony" will be held on Court Square.

Mayor Fred Moore and Probate Judge Marion Brunson will be on hand, and this will be the first opportunity to view a special new addition to the lighting on the square.

The parade at 5:00 and Christmas street dance from 6:00-8:00 p.m. will be the culmination of a full day of activities at the Elba Christmas Festival. Arts and crafts exhibits will open at 9:00 a.m. and continue throughout the day. However, many exhibitors pack up before dark, so interested shoppers will want to come to the Festival earlier in the day and not wait until parade time to view arts and crafts items. Booths are still available with a registration deadline of Monday, December 3.

Highlighting the year's Festival will be a specially arranged visit from Santa Claus with his sleigh and reindeer. This will be a rare opportunity for children (and adults!) to see and pet real reindeer. Santa is expected to arrive at 10:00 a.m. and be on the Square to visit with all the boys and girls until 4:00 p.m., when he'll be leaving to join the parade line-up. "Don't wait until parade time if you want to visit Santa. Come early so you won't be disappointed," encourages Brunson.

The afternoon entertainment and activity schedule includes choirs from First Baptist Church, Geneva Senior Citizens Rhythm Band, "Sweet Adelines" from Montgomery, fashion show at 1:00 p.m., and Little Miss Christmas Pageant at 3:00 p.m. Girls in Elba school grades K-3 are eligible to enter the pageant and should turn in their application and \$20 entry fee at City Hall no later than Friday, November 3.

Interested persons can make plans to spend the day in downtown Elba on Saturday, December 8. For more information call: Parade-Jack E. Brunson-897-2273 ext. 200 or 897-6056 (evenings).

Little Miss Christmas Pageant: Lisa Johnson-897-5549 (evenings). Arts and Crafts-Lynn Baker-897-3813 (evenings).

Elba Chamber of Commerce: Gene Kennett-897-3125 (weekdays mornings).

## How to get to Plantersville

By Marvin McIlwain  
Elba Clipper Editor

Going to the ballgame Friday night? There are two routes by which you can go to Plantersville from Elba.

If you prefer to travel the four laned roads, you can go from Elba to Troy (Al. Hwy. 87), Troy to Montgomery (U.S. Hwy. 231), Montgomery to Selma (U.S. Hwy. 82-80), Selma to Plantersville (Al. Hwy. 22). This is the long way, approximately 165 miles, but its four laned most of the way.

The other route in Elba to Brantley (Al. Hwy. 189), Brantley to Lumberton (U.S. Hwy. 231), Lumberton to Plantersville (Al. Hwy. 22).

Let's all be CAREFUL OUT THERE - YOU HEAR!!!

## GOOD LUCK!!

### ELBA TIGERS

3A STATE FOOTBALL CHAMPIONSHIP  
PLAYOFFS - QUARTER FINALS

**FULL HOUSE!!!** On Monday night, November 19, 1990, over 600 Coffee Countians gathered at the Farm Center in New Brockton. The occasion was the awards banquet which was held to close out Farm-City Week. LeRon and Allen Weeks of Kinston were awarded the Farm of Distinction and Bob Sanford, executive vice-president of Allfab in Enterprise, was honored with the Outstanding Businessman award. Dot Danvers of Curtis Community and Kenneth Senn of Jack were recognized as Top Broiler Producers By Conagra and Southland respectively. The week long celebration was declared a huge success by the organizers of the event.
